

Michael's
Made by you™

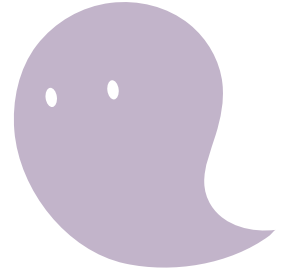

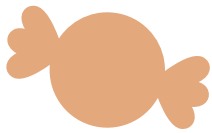

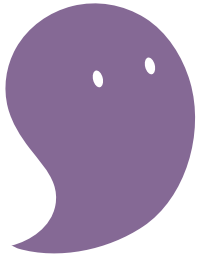

Share a Scare Package

There's mischief brewing,
Please spread the fun.
The idea is simple:
A spooky surprise for everyone.

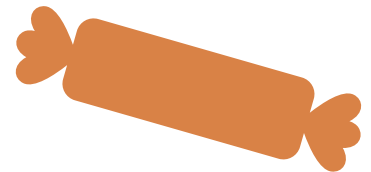

Share the scare with friends and neighbors,
And stuff a bag with yummy treats,
Handmade eeks, and fiendish favors.

Print this off and slip it inside,
Then drop off at their doors,
And run and hide.

(Don't be a creep — the more the scarier!)
