

Extra challenge!
Learn how to say names correctly in French, Spanish & Chinese too.

For Ages 3 – 8

Ocean Explorer Placemat

➔ Become an Oceanographer

Step 1: Parents with 3 – 6 year olds

- ❖ Highlight ocean animal names: Say the name of the ocean animal and point to it
- ❖ Take a visit to the beach or aquarium and show your children the ocean animals and say the names again
- ❖ Share interesting facts about ocean animals
- ❖ Ask the child to tell you their favorite ocean animal(s) and why?

Step 2: 3 - 8 year old child(ren)

- ❖ Color the animals on the back side
- ❖ Become multilingual: Say the name of the ocean animals in English, Spanish, French and Chinese (if you are unable to pronounce the name well in the other languages, you can play it via the Internet, so they hear the correct name, while pointing to the animal).
