For Ages 3 – 6

ABC Animals Placemat

➔ Learn your ABCs

Step 1: Parents with 1 – 3 year olds

- ❖ Teach letter recognition: Sing the alphabet and point to each letter as you sing

Step 2: Parents with 2 - 4 year olds

- ❖ Teach phonetics: Sound out each letter as you point to it using the animal picture as a guide
- ❖ Highlight name of animals: point to the animal and sound out the animal name emphasizing the first letter sound, also teaching phonetics
- ❖ Point to other objects or animals that have names starting with a letter to emphasize the sound of the letter

Step 3: Child aged 3 – 6

- ❖ Trace the letters on the back side following the arrows
- ❖ Practice writing the letters on your own
- ❖ Practice writing your name using capital letters
